

University of Illinois College of Medicine

Geriatric Medicine
GRAND ROUNDS PRESENTATION

“Palliative Medicine”

Presented by:

Andy Arwari, MD

Clinical Assistant Professor, Department of Internal Medicine, UICOM-UC
Hospitalist, Carle Foundation Hospital

Date: Wednesday, December 14, 2011

Time: 12:15 – 1:15 p.m.

Location: Family Medicine Residency Conference Room, Carle SCLL

Category I CME Credit available

Purpose: The purpose of this activity is to provide evidence-based and case-based reviews of current medical diagnosis and therapy, and to address controversies and new developments in geriatric medicine.

Target Audience: Primary Care and Subspecialist Physicians. Other allied health care professionals are welcome and encouraged to attend.

Learning Objectives: Upon completion of the activity, participants should be able to:

1. Distinguish between Palliative Medicine and Hospice.
2. Define the scope of practice of Palliative Medicine and the appropriate referral.
3. Determine the differences in opioids.

For more information, please contact Christine Johnson, (217) 326-1297.

The University of Illinois College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois College of Medicine designates this live educational activity for a maximum of 1 (one) *AMA PRA Category 1 Credit™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.
